

Features:

Diesel Electrical Tiller RÜYA 3+1

3+1 Transmission, Engine Cover with twolamp, easy drive handle bar, 4.00-8V Tyre, 24pcs. Blade set one emergency part on the handle , aluminum alloy gearbox ,with two PTO shaft , connection mode with crankshaft

Specification

Engine Model	QST178F
Engine Type	motor Single cylinder,4-stroke, air-cooled, Diesel Engine
Rated Power	7 hp
Engine Speed	3600 rpm
Fuel Consumption	288 g 337 mL
Continuous operating time	2.5 h
Fuel Tank Capacity	3.5L
Oil Capacity	0.6L
Starting system	Electrical
Working width	950 / 1050 mm
Working Depth	≥ 300 / 400 mm
Rotate Blade Diameter	360 mm
Dimensions (LXWXH)	106x65x102 cm
Weight (Net/ Gross)	120 /128 kg
